TO: Brian Matteson, Director, Fiscal Research Division
FROM: Kristin Walker *Kristin Walker*
SUBJECT: Required Quarterly Report on Directed Grants to Non-State Entities

Per S.L. 2021-180, Sec 5.2.b, the Office of State Budget and Management is required to submit a quarterly report on directed grants administered by our office:

(3) Beginning on the first day of a quarter following the deadline provided in subdivision (2) of this subsection and quarterly thereafter, State agencies administering directed grants shall report to the Fiscal Research Division on the status of funds disbursed for each directed grant until all funds are fully disbursed. At a minimum, the report required under this subdivision shall include updates on (i) the date of the initial contact, (ii) the date the contract was sent to the entity receiving the funds, (iii) the date the disbursing agency received the fully executed contract back from the entity, (iv) the contract execution date, and (v) the payment date.

Please see the attached spreadsheet outlining answers to these questions for each grantee for the quarter ending March 31, 2023.

In summary, of the directed grants to Non-State Entities for FY 2021-22 and FY 2022-23, 92.8% of the grant contracts (180 of 194) have been fully executed and funds disbursed. Of the remaining grants:

FY 2021-22 Grants (98 grants)

- All directed grants have been disbursed.
- 8 of the 48 Register of Deeds applicants are still working to submit their signed grant agreement for the second round of grant funding.

FY 2022-23 Grants (96 grants)

- Initial outreach was made on August 30th to all recipients of new grants and staff have provided technical assistance and training webinars for the pre-award grant process.
- 14 grantees are still working to submit one (or more) of five required documents – W-9; electronic payment form; conflict of interest policy; sworn statement re: no overdue tax debts; or a scope of work.

As part of the OSBM Directed Grants portfolio, \$200,000 was appropriated to be allocated to Register of Deeds by application. Only 48 Register of Deeds applied, of which all 48 grantees have received the initial round of grant funds. All 48 applicants were interested in receiving a second round of funding, and we have disbursed second round funds to 40 of them.

The grants management team at the Office of State Budget and Management continues to provide technical assistance related to reporting, monitoring, and auditing for directed grant recipients.

Contact Cole Jordan at Cole.Jordan@osbm.nc.gov, should you have additional questions or concerns.
