Investing in North Carolina's Infrastructure: Capital Improvements

The capital package consists of a combination of voter-approved bonds, general funds, and state agency receipts to meet the infrastructure needs of our growing state.

General Obligation Bond

\$4.7 billion General Obligation (GO) Bond (subject to November 2021 ballot):

- \$2.5 billion for **public school construction**, a start on addressing the more than over \$8 billion in documented capital needs in Public Schools across all 115 public school districts.
- \$783 million in large projects across UNC System campuses, including the Brody School of Medicine at ECU and the renovation of the School of Nursing at UNC-Chapel Hill.
- \$500 million for the **North Carolina Community College System**, which will be allocated across all 58 community colleges.
- \$430 million to health and safety projects, including expansion / renovation of HHS facilities, the relocation of DHHS from Dorothea Dix Park, and the renovation and expansion of Reedy Creek Lab.
- \$439 million for our state's **cultural and visitor attractions**, including state parks, the Museum of History, and the North Carolina Zoo.

Cash-funded Capital

\$1.14 billion in Cash Capital, including major investments in Repairs and Renovations:

- \$106 million planning and design for bond-funded projects.
- \$173 million for small capital projects at state agencies.
- \$462 million for small UNC capital projects.
- \$393 million for R&R at UNC and state agencies.

Receipt-funded Capital

\$125 million for receipt-supported projects at the Department of Agriculture, Department of Military and Veterans Affairs (Wake County Veterans Home), Wildlife Resources Commission, Department of Public Safety, Department of Natural and Cultural Resources, and Department of Transportation.
