SUBJECT: Increase to Cost of a State Capital Project

Pursuant to G.S. 143C-8-8, a State Agency may increase the cost of a capital project with gifts, federal or private grants, special fund receipts, or direct capital improvement appropriations if the increase is in the best interest of the State. The Department of Natural and Cultural Resources has requested to increase the Fort Fisher Museum & Visitor Center project by \$450,000. The increase is due to the receipt of donations from the Friends of Fort Fisher.
