

STATE OF NORTH CAROLINA
OFFICE OF STATE BUDGET AND MANAGEMENT

Employment First State for Individuals with Disabilities

ROY COOPER
GOVERNOR

CHARLES PERUSSE
STATE BUDGET DIRECTOR

September 30, 2022

MEMORANDUM:

TO: Mark Trogdon, Director, Fiscal Research Division
FROM: Charles Perusse *Charles Perusse*
SUBJECT: Required Quarterly Report on State Capital and Infrastructure Fund (SCIF) Grants

Per S.L. 2021-180, section 40.8, the Office of State Budget and Management (OSBM) is required to report to the Fiscal Research Division quarterly on the schedule and status of grant disbursement for State Capital and Infrastructure Fund (SCIF) grants to non-state entities, including the following for each grant:

- a. The date which the disbursing agency issued the initial contact.
- b. The date when the contract was sent to the grantee non-State entity.
- c. The date when the fully executed contract was returned to the disbursing agency.
- d. The date when the contract was executed.
- e. The date when a grant was disbursed in full.

Attached please find a listing of the 916 SCIF grants with each of these dates indicated. Of the 916 SCIF grants, 787 are administered by OSBM, 101 are administered by the Department of Public Instruction (DPI), and 28 are administered by the Department of Transportation (DOT). OSBM entered into MOUs with DPI and DOT to govern the administration of the SCIF grants that were allocated to them; we are also monitoring their grant programs. DOT and DPI have administrative responsibilities for their grant process and oversight and monitoring of their grantees.

Properly administering and disbursing grant funds in accordance with state law and administrative code is a multi-step process of which the contract signing and fund disbursement are the very last steps in getting funds out the door; they are generally completed on the same day or near same day. As the information requested for this report focuses solely on contract and disbursement dates, it does not provide a full picture of where the 787 OSBM-administered SCIF grants are in the process.

In summary, OSBM has 534 grants with signed contracts; 16 contracts out to grantee awaiting signature; and 237 grantees for whom we are waiting on one (or more) of five required documents – W-9; electronic payment form; conflict of interest policy; sworn statement re: no overdue tax debts; or a scope of work. Over the past three months, OSBM has continued to monitor grant recipient's projects and use of funds, collect required documentation to administer grants and provided constant contact and training opportunities to inform grantees of the pre-award and reporting process. We have hired one full time Grants Administrator and are in the process of hiring two additional full time Grant Administrators. Two temporary employees were hired to assist in the initial outreach for the new grants included in House Bill 103 that OSBM will be administering. We have held an additional 6 training and Q&A sessions with an average attendance of over 40 individuals for the reporting webinars and close to 100 attendees for our new grantee trainings over the past quarter. It continues to be a monumental task for our office. Please do not hesitate to contact us should you have additional questions or concerns.
