FROM: Casey Harris Pratt, Assistant State Budget Officer *Casey Harris-Pratt*

SUBJECT: Increase to Cost of a State Capital Project

Pursuant to G.S. 143C-8-8, a State Agency may increase the cost of a capital project with gifts, federal or private grants, special fund receipts, or direct capital improvement appropriations if it is in the best interest of the State. The Wildlife Resource Commission has requested an \$80,000 increase to the Sandhills Depot Equipment Storage project after bids came in higher than initial estimates due to increases in construction material and service costs. The project, originally authorized in S.L. 2021-160, will cover the increase with agency receipts and will not alter scope.
